18th International Conference
on the Science and
Application of Nanotubes and
Low-dimensional Materials

BELO HORIZONTE
BRAZIL

JUNE 25 - 30, 2017

www.nt17.org

SPONSORSHIP OPPORTUNITY

Presenting your business

NT17 has a high-quality audience of delegates in the field of science and applications of low dimensional systems, including carbon nanotubes, graphene and others. By exhibiting at **NT17** your company will be given the prime opportunity for face-to-face contact with people working in universities, industries, private and government laboratories who are also decision makers.

THE LOCATION

The **NT17** is located nearby famous tourist and cultural sightseeing of Belo Horizonte city which includes Pampulha Architectural Complex and Pampulha's lake.
